27 Jump, landing with feet apart

& Jump, landing with feet together

28 Jump, landing with feet apart

CHUGS

The weight is on the ball of the Left foot. Step four times on the ball of the Right foot to complete a $\frac{1}{2}$ turn to face LOD again.

29 Push off with right foot, $\frac{1}{8}$ turn left off of left foot

30 Push off with right foot, $\frac{1}{8}$ turn left off of left foot

31 Push off with right foot, $\frac{1}{8}$ turn left off of left foot

32 Push off with right foot, $\frac{1}{8}$ turn left off of left foot

REPEAT

The Hip Hop has 96 counts. The Hip Hop Bang Bang has 64 counts. The 32 count Cowboy Hip Hop is probably the cutest of the Hip Hops. It is an easy dance for all ages.

This becomes a "super fun" dance when danced in lines facing. Have half the floor face west and half face east for a Contra Line dance. It may also be done with two lines facing.
